

Welcome to the City of West Fargo Web Pay

This will allow you to pay using a credit card, debit card and/or bank account online. It is a quick, simple way to pay your bills online and to check what your current balance. Let's get started. First, take your monthly bill and see what your Web Id Number is (the example bill below shows where to find it). Second, go to the City of West Fargo Website (www.westfargond.gov) and click on Pay My Bill. This will take you to the ePay-Bill website. For your first time you will need to sign up for an account. Page two of these instructions has a copy of the form that you will need to fill out. Under "Billers: Please Select a Utility" use the drop down box to Select City of West Fargo as the Biller information. Type in your Web ID number and fill in the rest of your information. Next click on the "I Agree-Create my account and Continue" button. That Login Name and Password will be all you will need to access your account in the future. Page three of these instructions show you what type of information you will need to set up a payment. You may use a checking account, a savings account, a debit or credit card. There is a \$3.00 convenience fee per payment, that will be charged to your payment method at the time that you press the "Pay My Bill" submit button.
