# Reader's Corner

## 1225 Christmas Tree Lane

By Debbie Macomber

F  
M236

In the 12th (and final) book in the Cedar Cove Series, Macomber brings readers a light read for the holiday season. Bailey and Sophie are trying to reunite their parents, Beth and Kent, during Christmas. Beth and Kent were always focused on their girls while they were married, but once the girls left home, the marriage fell apart. Bailey and Sophie are determined to bring their parents back together despite many obstacles. If this is your first Cedar Cove book, Macomber has included a list of who's who in Cedar Cove - very helpful, even for the seasoned Cedar Cover reader!
