Dug Down Deep: Building Your Life on Truths That Last

Joshua Harris

230
H242

Dug Down Deep takes on the subject of creating a solid Christian foundation. New Christians will appreciate the accessible introduction into the faith and established Christians will find a fresh analysis of why Christianity matters. The author's personal struggles reaffirm that all Christians are sinners and need God's salvation. Harris is the senior pastor at Covenant Life Church in Maryland and author of several books, including the best seller, *I Kissed Dating Goodbye*.

The Summer Reading Program begins June 2nd (2:00-4:00) with a party! Come and see a Skylab, enjoy refreshments, and register for events. The Summer Reading Program has activities for all ages: movies, video gaming, crafts, and storytimes. The schedule for each age group is on the inside of this newsletter and on the website. After June 2nd, register at the Service Desk.

Are you traveling this summer? The library is closer than you think!

Whether you prepare for your vacation by downloading titles onto your Kindle or visit libraries near your favorite vacation spot, you're never very far from your Library. You can download eBooks, eAudiobooks, and eMovies to your eReader or other compatible device through Library2Go (<http://ndlibrary2go.lib.overdrive.com>). If you prefer physical books, reciprocity agreements with Fargo Public Library and the Lake Agassiz Regional Library (which serves Becker, Clay, Clearwater, Mahnomen, Norman, Polk and Wilkin counties) allows you to easily borrow items. To get started, just show your West Fargo Library card and a photo ID with your proof of address.

Technology Classes

Technology classes are on hiatus for summer. Classes will resume in the fall.

Summer Hours

We will be closed on Sundays through September 2nd.

Online Automotive Repair

Take advantage of online automotive repair manuals! Auto Repair Reference Center is easy to use: select the year of your vehicle, the make, the model, and you can easily access information such as recalls, troubleshooting, and diagrams.

Library Board Opening

The Library Board of Directors has two openings for non-salaried members. An application, resume, and cover letter are required to be considered for the position. The application form can be found on the City of West Fargo website (<http://www.westfargond.gov>).
