# Reader's Corner

If a trip is in your future, you need to know that the West Fargo Public Library has recently completed a huge update of its travel books. We have books covering everything from travel to Europe to hiking in Minnesota and Vermont. And, if the travel book you need for your perfect vacation is not in the library, please let us know the title and we'll do our best to add it to the collection. Next, go ahead and check out the library copy and when you return from your trip, you won't have a travel book sitting in your house collecting dust. Check the catalogue or stop by soon to look over the collection.

A great way to spend the coming winter is to take a trip someplace warm or simply sit by the fireplace and read about interesting places!!

Happy Reading—Kathy Vander Vorst, Adult Services
