

Friends of the Library
October 6, 2008

A meeting of Friends of the West Fargo Public Library was held on October 6, 2008. Attending were Sandra Hannahs, Carrie Scarr, and Ann Chale. The secretary's report was read and approved with these additions: It was decided to keep dues at \$5.00 and 2008-2009 will appear on the card. The book sale will be publicized in the Pioneer and on radio and TV.

Sandra requested that we hold the book sale on two Saturdays due to the extremely large inventory of books. The sale dates would be Saturday, October 18, 10:00-4:00 and Saturday, October 25, 10:00-4:00. These Saturdays are at the beginning and end of the National Friends of Libraries Week. A presale would be held Friday, October 17, 3:00-5:30.

Carrie requested the group consider opening the presale to library staff. In the past it has been open to Friends and volunteers.

Heather has ordered calendar planners to give members as they join. Sandra suggested members also be given a 10% discount on book purchases during the sale. She also offered donations from Mid Continent for joining members. They include tote bags and booklights.

Setup dates for the sale would be Tuesday, Wednesday, and Thursday, October 14-16. Sandra will contact volunteers to help with the setup.

The Forum and Pioneer need to be contacted by October 10.

There is an existing list of former members who can be contacted through the mail.

Heather has made new membership cards and is working on brochures.

The meeting was adjourned.

Secretary,
Ann Chale
